

VILLAGE OF HUDSON FALLS

PUBLIC HEARING NOTICE

TRANSITIONING PARIS PARK TO A MUNICIPAL PARKING LOT

The Village of Hudson Falls has scheduled a Public Hearing at Village Hall, 220 Main Street, Hudson Falls, NY for the purpose of discussing the transitioning of Paris Park to a Municipal Parking Lot. The public hearing will be held on July 13, 2015 at 4:00 p.m.

The Village has made an application to the NYS Department of Environmental Conservation to alienate the parcel known as Paris Park. The Village has a substantial need for public parking due to the expansion of business in the immediate vicinity. The 2004 Comprehensive Plan confirmed the need for additional parking.

The purpose of the hearings is to provide citizens and neighbors with an opportunity to comment on the transitioning of the park to municipal parking. The public is urged to attend.

If you require special assistance to attend due to a disability, please contact the Village at 747-5426 and arrangements will be made to accommodate your needs.
